

Order Form : For Members Only : \$395 per release

Dear Reserve 100 Member,

Welcome to the first release for Dolce Reserve 100 Members. We've created this wine club to allow you - our friends - to secure limited production, highly collectible wines which garner high praise every year and often sell out shortly after release. As an exclusive Reserve 100 Member you will secure an allocation of these highly rated wines. Once released these wines sell out quickly.

As a wine club member, every other month you'll receive two bottles of three ultra-exclusive wines, personally selected by our favorite wine wizard [and czar] until you choose to cancel or stop your membership. You will also have the unique opportunity to order additional bottles of many of these highly sought-after wines available to only a few.

Membership includes exclusive invitations to attend release tastings, exclusive and intimate wine dinners and events - each for members only. \$395 per release.
